Hair Extensions: If you desire a longer or fuller style than your natural hair can give you, I can add temporary extensions to your hair to help create the look you want. These extensions will only be pinned in for the day- no glue or bonds, so they will not damage your hair. We will color match when purchasing the hair. If anyone else at the wedding party would like to add extensions, she will need to come into the salon prior to the wedding so I can purchase the right color of hair. The cost of extensions is \$70/ per person. This fee must be paid prior to the wedding day.
